

WESTCHESTER EATS

By John Bruno Turiano

[Water View Dining]

Six eateries where the food and the view are both good enough to eat.

- 1 MONTEVERDE
- 2 F.I.S.H.
- 3 EBB TIDE SEAFOOD
- 4 VALLEY RESTAURANT
AT THE GARRISON

(2015 Rte 9, Garrison, 845-424-2339,

The porches and decks offer unforgettable painterly views of the Hudson River and hills. I love the lobster salad on greens from the on-site garden, the fresh raw bar selections and a ravishing bourbon-vanilla panna cotta.

- 5 HARVEST ON HUDSON
- 6 SEASIDE JOHNNIE'S
